2018 Season of “Drive Less, Live More” Initiative features three Centerville concerts

Gear up to walk, bike, carpool, or take the bus to the 2018 Drive Less, Live More events this summer. Each year the Drive Less, Live More initiative collaborates with entities around the community to create rewarding opportunities to use alternative transportation. Gas is bouncing around \$2.30 to \$2.60 a gallon with concerns it might go higher this summer. In addition, roadway construction may cause some delays or roadway closures. Now is the perfect time to explore alternative ways to get around town – and the Drive Less, Live More initiative can help by saving you money, helping you get fit, and allowing you to enjoy free tickets to local events.

Reserved seating and parking will be available at the “Drive Less Live More” Concerts for residents that carpool to the June 17, July 22 or August 19 concerts at Stubbs Park Amphitheater, 255 W. Spring Valley Road in Centerville, visit *Drive Less, Live More* website www.drivelesslivemore.org or call (937) 223-6323 for more information and to register.
